OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this lawsuit complaining about several instances of abuse from various defendants from as early as September 2020 through September 2022. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed without prejudice. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 29th day of August, 2023.

UNITED STATES DISTRICT JUDGE
